Guide or other fishing partner name, if applicable _____

By my signature below, I certify that the above information and the accompanying photo(s) are true and correct, and that this catch complies with all rules of the tournament found here: [2024 Ronald H. Friedl Memorial Tournament | Fish With A Hero](#).

Guide for measuring SNOOK:

All fish are to be measured from the tip of the snout to the furthest point of the pinched tail using the official tournament ruler. A picture or pictures of the fish, ruler, fly rod and fly catching the fish must be submitted with this application. All issues concerning size of fish will be determined by Steve Mevers, former FWC officer, whose opinion will be final.
